EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given by Belinda Lee on 07/25/2008.

The application has been amended as follows:

Claim 1 starting at line 10:

delete "and the glue surrounds the spacers at a side surface not contacting the dielectric substrate and wafer"

insert "and the spacers are surrounded by the glue except for the portion of the spacers directly contacting the dielectric substrate and wafer"

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach or render obvious the claimed limitations including "wherein the glue and the spacers are disposed between the dielectric substrate and the wafer and both of the glue and the spacers are directly contacted with the dielectric substrate and wafer" with "the spacers are surrounded by the glue except for the portion of the spacers directly contacting the dielectric substrate and wafer" and

Art Unit: 2811

“after attaching the dielectric substrate over the photoelectric device on the surface of the wafer, grinding the surface of the dielectric substrate away from the wafer or the surface of the wafer away from the dielectric substrate”

Additionally, the closest art of U.S. Pub. No. 2006/0043555 to Liu (cited in 892 mail date 09/25/2007) fails to qualify as prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Colleen A. Matthews whose telephone number is (571)272-1667. The examiner can normally be reached on Monday - Friday 8AM-4:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lynne Gurley can be reached on 571-272-1670. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
